## — << Report of Activities done under “Swachh Bharat Mission” At Lignite Project, Tadkeshwar from 15-05-16 to 31-05-16 >>—

“Swachh Bharat Abhiyan” is an initiative started by our Hon’ble Prime Minister & the initiative can only be fruitful with massive participation, self regulation & raising the awareness level among the communities. With such objective, Tadkeshwar Lignite Project has for the second time taken an initiative to organize a drive contributing its part in a truly meaningful & significant way of being involved in ‘Swachhta Abhiyan’ in its own premises again.

During the period of 15/5/2016 to 31/5/2016, a massive cleanliness drive was taken up at project premises. Under the leadership of our G. M. (Project), the entire strength of officers, employees, MRWs, contractors’ employees were divided into various teams and were allotted various office areas and mine premises to be cleaned up. Each team was headed by an officer.

The administrative building, RCC road, Gate No: 1 & 2, Contractor’s camp area, weigh bridge area, Time office complex, canteen & gardens etc were allotted to various teams. They were informed to dedicate 3 hrs of the second half time for cleanliness drive of the project.

The recently constructed new office building in ADM campus was also cleaned. Record room was also cleaned up and all the records were kept in suitable location in different racks. The office complexes and gardens of ADM building were thoroughly cleaned up during the week of massive cleaning drive. Store, diesel pump areas were also cleaned.

*Glimpses of the cleanliness drive ...*

**Cleanliness Drive at various locations of Office and Mines were undertaken**

**Cleanliness Drive at various locations of Office and Mines were undertaken**

Overall, every one joined in the drive voluntarily and enthusiastically. Next, in the coming months, we are planning to undertake massive cleanliness in our core zone village Tadkeshwar where schools, Aanganwadis, Gram-Panchayat office, Streets, drains will be covered. We are waiting for the for Individual Toilet Blocks construction so that we can make the "*Swachch Bharat Mission*" a grand success.

*We hope to carry on these works once in a while & contribute our bit towards saving clean & beautiful Mother Earth in its pristine form for our future generations to come!!*

*Thanks...*
