FINANCIAL ASSISTANCE TO GIRL STUDENTS IN CORE ZONE VILLAGES 2015-16

AT TADKESHWAR VIBHAG SCHOOL- DTD: 5' DEC' 2015

GMDC Ltd. has cultivated a culture of inclusive growth while undertaking its commercial operation in various remote regions of the state. As a part of this culture, the financial assistance is being provided to the girl students of the government schools of core zone villages. The basic objective of this scheme is to mitigate the drop out ratio of girl students from schools.

As such, Lignite Project Tadkeshwar on 5th December-2015 moved forward in providing the financial assistance to girl students of Tadkeshwar

Vibhag High School in Tadkeshwar Village. The assistance so provided was the first installment of the Financial Year 2015-16.

Total 169 girl students were benefited in this term out of which 66 were from General category & 103 were from SC/ST/PH/LL. The details of the beneficiaries & assistance offered are as follows:

Glimpses of Cheque Distribution programme at Tadkeshwar Vibhag High School

On 5th Dec'2015, a Cheque of Rs. 5, 17,500/- (Rs. Five Lac Seventeen Thousand Five Hundred Only) was awarded to the principal & students of Tadkeshwar Vibhag High School through the hands of Shri. Swagat Ray, I/C General Manager (P) of Lignite Project, Tadkeshwar along with Manager (HR) Shri S. M. Rathwa.

For this occasion, a programme was organized by the school where the teachers including Principal, the retired teachers, students and the parents of the beneficiaries were present.

The school staffs and girl students appreciated this effort of GMDC in their speeches and conveyed how purposefully this scheme has helped in the lives of poor girls students of nearby villages. They thanked GMDC in return and wished wholeheartedly the progress of GMDC in future times to come.

In his address, Shri. Swagat Ray, I/c General Manager (Project) revealed the statistics of girls students since the inception of this scheme and tried to focus on the gradually increasing strength of girls in school thereby justifying the whole purpose of this noble effort that is to say minimizing the drop out ratio. He also urged to listen directly from the beneficiaries and their parents

from next term in such programmes. More importantly, he asked every beneficiaries and

their parents to ensure the spending of money for the desired purpose and to keep track of the accounting under this head. The school principal was requested by I/c General Manager (P) to verify at least 10% account randomly to have a better monitoring process.

The programme ended with vote of thanks and light refreshment. This scheme has not only played an important role of creating bondage between the local villagers and GMDC but certainly showed many poor girls the path of brighter future by way of continuing education in building the society and the nation as well.

Thanks!!!
